

## Application – Work Permit Sweden

Welcome to your application for a Work Permit for Sweden!

This guide is only valid if you have not previously held a Work Permit to Sweden.

Please fill in all the information required below for you, the main applicant. If you include family with your application, you are also required to fill in all data below for these individuals.

**Note that all requested information is required, and mandatory to submit. Incomplete or false information will delay the application process.**

**Fill in this application form electronically.**

Click the sections below to access relevant forms. Check the tick box next to the section when completed. Depending on your answers throughout the form, some irrelevant sections will turn into grey read-only areas, for you to ignore.

## Biometric Data

Once your application has been approved, you need to visit a nearby Swedish Embassy to provide biometric data (fingerprints and a digital photograph) for your permit card. Not all embassies process biometrics. Contact your closest [Swedish Embassy](https://www.swedenabroad.com) (choose country at [www.swedenabroad.com](https://www.swedenabroad.com)) for current opening hours, and to verify the capability of processing biometrics. If you are allowed to enter Sweden without a visa, you may enter Sweden and then book an appointment at a permit unit for biometrics, once the Work Permit application has been approved.

At which Swedish embassy will you submit biometrics?

City

Country
